February 2015 Meeting Minutes

The February meeting was called to order at 7:30pm.

Old Business

Since last meeting, new combination locks have been installed on the parking lot gates.

Members were advised by email that they would be given the new lock code upon receipt of dues for 2015.

New Business

There will be a Fun-Fly at the field Saturday, March 28th.

An email notice was sent to our members whose email addresses we have on file and to other clubs in our area.

General

I noticed that we are missing a sizeable number of members' email addresses on our list of club members.

A telephone and letter-writing campaign was launched to get email addresses and any other missing information from as many members as possible.

We appreciate the replies that we have gotten although we still have several messages outstanding.

DUES ARE DUE

**Club dues are due effective
January 1, 2015**

Several members have already come forward and paid the \$45.00 by cash or check.

If you have moved, changed phone numbers or email addresses, please print yourself a copy of the short form that is part of the email to which this newsletter is attached.

Gary advised me that some of the members did not have his address and did not know where to mail dues payments.

I added Gary's mailing address to the short form. Just print off a couple of copies and keep one for yourself after mailing your payment and a copy of the form to Gary.

Thanks for helping us keep our membership records as current as possible.

Don't forget to use a day pass form and collect the \$5.00 fee when you bring an AMA Licensed guest to fly at the field.
