March 2015 Meeting Minutes

The March meeting was called to order at 7:30pm.

Our Treasurer, Gary Troxell, was unable to attend the March meeting. We will look forward to a report at the April meeting.

Old Business

I have received several responses to my letter-writing campaign and have logged new e-mail addresses so that we can get the newsletters and activity notices out to as many members as possible.

Some of you may not be aware that we changed the locks on the parking lot gates. Remember that when you have paid your 2015 dues, you will get an e-mail giving you the new lock code.

New Business

There was a Fun-Fly and Swap Meet at the field Saturday, March 28th. The weather was great for a change. We will look forward to a report on the event at the April meeting.

Gary has been getting a good response from members who are sending in their 2015 membership payments. Thanks for the payments and the information updates.

DUES ARE DUE

Club dues are due effective January 1, 2015

Several members have already come forward and paid the \$45.00 by cash or check.

If you have moved, changed phone numbers or email addresses, please print yourself a copy of the short form that is part of the email to which this newsletter is attached.

Gary advised me that some of the members did not have his address and did not know where to mail dues payments.

I added Gary's mailing address to the short form. Just print off a couple of copies and keep one for yourself after mailing your payment and a copy of the form to Gary.

Thanks for helping us keep our membership records as current as possible.

Don't forget to use a day pass form and collect the \$5.00 fee when you bring an AMA Licensed guest to fly at the field.
