Meeting Minutes**

President Jimmy Davidson called the April meeting to order at 7:30pm.

Treasurer Gary Troxell presented his report which included a list of 12 members who had paid 2015 dues .

**Old Business  
NONE**

**New Business**

V.P. Larry Hyde proposed that the club build two additional model-assembly tables.

Jimmy and Larry agreed to gather materials and that a Saturday work session at the field would be held to build the tables.

A work-session notice was sent to our members and the tables have been built.

**DUES ARE DUE**

**Club dues are due effective  
January 1, 2015**

Several members have already come forward and paid the \$45.00 by cash or check.

If you have moved, changed phone numbers or email addresses, please print yourself a copy of the short form that is part of the email to which this newsletter is attached.

Gary advised me that some of the members did not have his address and did not know where to mail dues payments.

I added Gary's mailing address to the short form. Just print off a couple of copies and keep one for yourself after mailing your payment and a copy of the form to Gary.

Thanks for helping us keep our membership records as current as possible.

Don't forget to use a day pass form and collect the \$5.00 fee when you bring an AMA Licensed guest to fly at the field.
